

Damdiggida

KEiINO

Midnight paradise
Save me, give me life
You move in time with my heartbeat
And your lips are giving me Damdiggida

Midnight paradise
Diggi diggi dam dam
Strobe lights in the sky
Diggi diggi dam dam
I'm wide awake and I'm lonely
And my heart is telling me Damdiggida

Save me
Now can you save me
When the night is going crazy
And my heart is going Damdiggida

Fearless paradise
Diggi diggi dam dam
Lovers on the rise
Come free your soul and your body
On the dancefloor we're going dam diggida

Save me
Now can you save me
When the night is going crazy
And my heart is going Damdiggida
