

Night

Under another naughty moon
I'm just another naughty girl
Who wants to play with fire
Beats
I feel you beating in my chest
Together we will get no rest
You wanna play with fire?

All I wanna do
DISCO DISCO
All I want is you
DISCO DISCO
You have to spell it out for me
D - I - S - C - O
D - I - S - C - O
DISCO DISCO
D - I - S - C - O
DISCO DISCO

Lights

I see the blinding neon lights
I promise we can break the night
You wanna play with fire?
Girl
Give me another naughty girl
Together we can rule the world
And we can play with fire

All I wanna do
DISCO DISCO
All I want is you
DISCO DISCO
You have to spell it out for me
D - I - S - C - O
D - I - S - C - O
DISCO DISCO
D - I - S - C - O
DISCO DISCO

We just wanna go
D - I - S - C - O

All I want is you
All I want is you
All I want is you
All I want is you
DISCO DISCO

DISCO DISCO

All I want is you
All I want is you

All I wanna do
DISCO DISCO
