

# Mother Of The Night

KEiiNO

Mother of the night  
Bring back the sinful and shameful in me  
Cause I've been so waiting patiently  
I'm on my knees if you want me to be  
So we can rise, we can rise, we can rise

Follow me  
Into the night  
My darling one  
I promise you  
No more light  
Conversation  
In swanky bars  
Or hotel rooms

Listen up, put that leather on  
Mothers back, let's get it on

Mother of the night  
Bring back the sinful and shameful in me  
Cause I've been so waiting patiently  
I'm on my knees if you want me to be  
So we can rise, we can rise, we can rise

I'm mother of the night  
Mother of the night  
You want me to take you  
Take you, take you out

I'm mother of the night  
Mother of the night  
You wanna let go  
It's all right, it's all right

You're so sick  
Of being good  
Of taking baths  
And sleeping well  
You can't take  
Another day  
Want faded nights  
That never end

Listen up  
Put that leather on  
Mothers back  
Lets get it on

Mother of the night  
Bring back the sinful and shameful in me  
Cause I've been so waiting patiently  
I'm on my knees if you want me to be  
So we can rise, we can rise, we can rise

I'm mother of the night  
Mother of the night  
You want me to take you

Take you, take you out

I'm mother of the night  
Mother of the night  
You wanna let go  
It's all right, it's all right

Oh mother midnight  
I wanna live, wanna dance, take me out  
Show me the moonlight  
So we can rise, we can rise, we can rise
