Take me home
And break away the night
Show me colour, show me light
I don't wanna stay here all alone
Take me home now take me home

End of the show
My part is over here
Please let me go
Take me back
Taking back
All the things I've done
You are the only one

Arvedáلكis leat don boade fal sisa

Hello Hello
I'm looking for my heart
Can't be the only one

Take me home
Cause I'm losing my mind
I've been running in circles all my life
If I could I would go back in time
Ná váldde ruoktot
Take me home
