

Would I Lie

KEiINO

Tell me what you want from me
Tell me what you want from me
Would I lie
Would I lie

I'm the morning baby
You can't hide in sunlight
I'm the storm
I'm the grace
I'm everything you see

Can you call me baby
Call off all the hurting
I'm the spark
I'm the life
I'm everything you see

Livccen go mun gielistan jo
Call me up - time is running out
Call me up - time is running out
In goassege livcce gielistan jo
Call me up - time is running out - for us

Tell me what you want from me
Tell me what you want from me
Would I lie
Would I lie
Tell me what you want from me
Tell me what you want from me
Would I lie
Would I lie

Will you listen, baby
This won't last much longer
I'm the ground
I'm the tree
I'm everything you see

I did you love you, baby
Even though you're poison
You're the fire
You're the pain
You're nothing without me

In goassege livcce gielistan jo
Call me up - time is running out

Tell me what you want from me
Tell me what you want from me
Would I lie
Would I lie
Tell me what you want from me
Tell me what you want from me
Would I lie
Would I lie

Time is running out

Time is running out
Tell me what you want from me
Tell me what you want from me
Would I lie
Would I lie

Jua, vaikko máid son muitali jua
Váikko makkar háviid cájedi
Vaikko gá?al dušše golggidi
Ii son fuomašán ovdal lei beare ma?it

I can cry, it's my sorrow
But the rain just ain't enough
I believed, but it's all gone
Tell me what you want from me
Tell me what you want from me

Tell me what you want from me
Tell me what you want from me
Would I lie
Would I lie
Tell me what you want from me
Tell me what you want from me
Would I lie
Would I lie
