

# Coming Up Roses

Keira Knightley

When you were asleep  
And I was out walking  
The voices started to speak  
And they wouldn't stop talking

There were signs all around  
It really got my mind racing  
You were right all along  
Something's gotta change

Hold on  
Hold on they're not for me  
Hold on  
Cause everything's coming up roses  
Roses

Now we're back on the street  
Found a song that's worth singing  
The blur that knows a defeat  
While your victory bell's ringing

My whole life's turned around  
For this thing you keep chasing  
You were right all along  
It's me who's got to change

Hold on  
Hold on they're not for me  
Hold on  
Cause everything's coming up roses

(Hold on, Hold on)  
Aaahhh  
(Hold on, Hold on)  
Aaahhh  
(Hold on, Hold on)  
(Hold on, Hold on)  
Aaahhh  
(Hold on, Hold on)  
Aaahhh  
(Hold on, Hold on)  
Aaahhh  
(Hold on, Hold on)

Hold on  
Hold on they're not for me  
Hold on  
Cause everything's coming up... [dramatic suspension]  
Roses

(Everything's coming up roses)  
(Everything's coming up roses)  
(Hold on, Hold on)

Roses

(Hold on, Hold on)

(Everything's coming up roses)  
(Hold on, Hold on)  
(Everything's coming up roses)  
(Hold on, Hold on)

Roses

(Hold on, Hold on)
