

## Like A Fool

Keira Knightley

We take a chance from time to time  
And put our necks out on the line  
And you have broken  
Every promise that we made

And I have loved you anyway

Took a fine time to leave me hanging out to dry  
Understand now I'm grievin'  
So don't you waste my time  
'Cause you have taken  
All the wind out from my sails

And I have loved you just the same

We finally find this  
Then you're gone  
Been chasing rainbows all along  
And you have cursed me  
When there's no one left to blame

And I have loved you just the same

And you have broken  
Every single fucking rule

And I have loved you like a fool
