

Tell Me If You Wanna Go Home (Roof Top Mix)

Keira Knightley

Oh maybe
You don't have to kill so kind
Pretend to ease my mind
When baby you won't

Oh sugar
You don't have to be so sweet
I know who you're going to meet
Don't say that I don't

So maybe
I won't let your memory haunt me
I'll be sleepwalking
With the lonely

If you're taking me home
Tell me if I'm back on my own
Giving back a heart that's on loan
Just tell me if you wanna go home

Tell me if you wanna go home
Cause I'm just not sure
Tell me if I'm back on my own
How to get back there
Giving back a heart that's on loan
And I just can't bear
Tell me if you wanna go home
If you're not there

Ooh ooh ooh ooh
Baby

If you're taking me home
Tell me if I'm back on my own
Giving back a heart that's on loan
Tell me if you wanna go
Wanna go, wanna go, wanna go, wanna

Cause I'm just not sure
How to get back there
And I just can't bear
If you're not there

Tell me if you wanna go home
Cause I'm just not sure
Tell me if I'm back on my own
How to get back there
Giving back a heart that's on loan
And I just can't bear
Just tell me if you wanna go home
Wanna go, wanna go, wanna go, wanna

Wanna go, wanna
Wanna go, wanna
