

Achoo!

Keith Ape

They wildin' out, ayy!
Huh! Walk up in the club with sauce
Wet! (that's better)
I need my water!
I just be sick, sick, sick
I just be sick, sick, sick
I just be sick, sick, sick
I just be sick like a sneeze
I just be sick like a sneeze
I just be sick like a sneeze
(I am a blemish!)
I just be sick, sick, sick
(Water!)
I just be sick, sick, sick
(Sick like a pimple)

I just be sick like a sneeze, huh
I just be sick like a sneeze, huh
I just be sick like a sneeze, huh
I just be sick like a sneeze, huh
I just be sick, sick, sick
Diamonds they sick, sick, sick
My jewelry is cool just like a breeze
I just be sick like a sneeze, huh
I just be sick, sick, sick, sick, sick, sick, sick, sick, sick, sick, sick
I just be sick like a sneeze, ooh
I just be sick, sick, sick, sick, sick, sick, sick, sick
(Just like a pimple)
Diamonds they sick, huh, yuh
I just be sick like a sneeze, okay!

Water!
Ayy ayy, ayy ayy ayy
Just like a pimple
Just like a pimple
Ayy, never gave a fuck, uh
(Back still hurt)
I don't give a fuck, huh
Never will give a fuck

Diamonds they cool like a breeze
I just be sick like a sneeze
Oh my god, Jesus
Reese's in the pieces
Peanut-butter colored LV
I just be fistin', all on your missus
This is a vengeance, R. Kelly fetus
And I rap in season 'cause don't need a reason
To bust open a gun at your knees
I'm like wow-zer
She don't want me gouge her
Pussy, 'cause my dick, it large
Just like a McDonalds fries, sir
My bitch is a witch, but when on me, don't catch a curse
Goyard on me, they can't afford but they call it purse
I didn't think this shit washed your pocket more than Allure
Hol' up, bitch

My money is so

Sick, sick, sick
My money sick, sick, sick
My money sick, sick, sick
My money sick like a sneeze
My money sick like a sneeze
My money sick like a sneeze
My bitch is sick like a sneeze
My diamonds
Ayy!

I just be sick, sick, sick, sick, sick, sick, sick
I just be sick, sick, sick
I just be sick like a sneeze, huh
My jewelry is cool like a breeze, huh
I just be sick like a sneeze
My jewelry is cool just like a breeze
I just be sick like a sneeze
