

Born Alone = Die Alone

Keith Ape

Born alone, die alone
Born alone, die alone
Born alone, die alone

Alone, alone, man, I'm stayin' in alone
Alone, alone, still smokin' dolo
Strong, so strong, man, my swag so strong
Mojo so dope, check my mojo so dope
Alone, alone, I don't need no hoes
Alone, ninja better trust no ones
Alone, alone, just trust your soul
Alone, alone, can you trust your trust?

Oh lord, oh lord, I swear I got some issues
All these thoughts In my head make me goin' Charles Manson
Redrum, murder on my mind 'cause I'm sad, mad, and depression
I need to get relaxin'
Stressing, relapsin' on Xanax and down the substances
I'm abusin' and I lose it
Again, damn, my moody so woozy
And spooky 'cause we never know when we do it
But we do overdoses
I don't want no livin' low
Fuck that sober life, I'm tryna goin' up
High as fuck 'cause we came from the bottom
Been through so much lot of shits I don't even
Want no memories that's why I need me some drugs

Alone, alone, man, I'm stayin' in alone
Alone, alone, still smokin' dolo
Strong, so strong, man, my swag so strong
Mojo so dope, check my mojo so dope
Alone, alone, I don't need no hoes
Alone, ninja better trust no ones
Alone, alone, just trust your soul
Alone, alone, can you trust your trust?
