And bitch we shoot bitch we smoke
All of the enemies

They shoot and be in tombs
Like forever bitch

I need them greens
I need these greens
Finna get the greens
Pop me a xan color of green
Chieffin' loud pack of the gas
Color of greens beans

Green's like a Hulk
Green's make me stoned
Grim like a reaper
Plus I'm pussy killer
Like Jack the Ripper bitch

I feel like Fam-Lay on the Pharrell 's beat
Hit me on my beeper, yeah, beep beep beep
Hit me on my beeper, beeper, beep, beep, beep, beep
Billionaire Boys Club

Beepers and cigarettes zipup
Hoodie all on my fits hoe
Yo chick, she's so thirsty
I'm in the public huh, huh
Restroom with yo girl in
I think she popped an oxy
And she tried to inject me

Bust my holy water on her face
She said thanks for blessing me
We dem New Boyz with old souls
Flex like Hulk Horgan
Flex hard like I'm on bulk up
Pop a perc make me go grr
Ain't got no time for the drugs
Time to get to hundreds of bucks
