You are you, I am me, so quickly accept that shit
When you insult others I

Watering brain cell is a daily routine, kiss to a blunt
I tie my hair then go on to a battlefield
Open the map of the world, them ninjas on the mission
Slash them obstacles with no hesitation
No doubt about it when it’s a life and death situation
Just like kill bill all humans are lonely at the end
You best leave as much as you can
Mothafucka, y'all can't feel my pain
No excuses are prepared
Ain't no tinkerbell following those empty eyes
Lotta chicks around here

Bitch, I'm a zombie
Drank too much crap codeine
Still black & white camo on my body
You know we go harder
Than a muthafucking ape
I lay in a tub and shop
That's Bape Bape Bape Bape Bape
Keith ape, never forget Killer whale
Killer Whale, Killer Whale, Killer Whale, Killer Whales
Swim swim swim
We're 'bout to swim with money
You watch us through the computer screen
I even act your own lives
So don’t forget my name, don't forget my team
Don't forget my name, never forget my team
If you forget our name, you’ll lose your ear

Don't forget, I'm a muthafucking trendsetter (Don't forget me)
All my shit very rare, never seen ‘em, have you? (Never seen it)
Don’t believe your man, he ain't making no money
Bullshitting, bullshitting he ain't making no money
Still camo on my body, worn with sharkskin (Bape)
This is Gangnam Street, through the alleyway we go outer space (space)
Peace in my steps, crybaby phone in my pocket
My mind spun and spun to place, Kim Yuna

Never! Never! Never forget!
Don’t forget to never forget
This, that, and that over there: which one is important?
Get rid of unnecessary things
You could be happy with having only what you need
Thank you
I walk with my own feet
New shoes get dirty again
Air force 1s with no laces
Or cheap converses with heavy leather jackets on
Feels like a rockstar
I’m listening to “The Blue Hearts” while I’m chewing gum
I got no time to do what I don’t want to do
I got no time to do what I don’t want to do
Said Mashi (Marcy)
I ain't talkin Tashiro
It’s weak to talk about the past
It’s about time you let go of your past
