

Underwater Deep

Keith Ape

Woah, woah, wait, so wet, getting wet up In this bitch
Woah, wait, so wet, y'all be trying in this shit
Woah, damn, so wet, getting wet up In this bitch
Woah, wait, so wet, y'all be trying In the deep

In this underwater deep
Into underwater deep
In this underwater deep
Into underwater deep
In this underwater deep
Into underwater deep
In this underwater

Sink, sink, sink, sink deep in this underwater
Think, think, think, think deep in this underwater
Sink, sink, sink, sink, deep in this underwater
Think, think, think, think deep in this underwater

Ay, I been thinking deep
Ay, I been talking cheap
Came in this bitch too deep
God damn, I'm soulless to quit
But all these ninjas too sweet
For the street you just trying to fist
You just trying to kiss

Can't tell what your eyes are witnessing
Put these skee cause I'm bout to make a scene hit
Hit licks, hit licks
Imma finna make a scene
But I'm slick, slick, slick with this shit
Y'all like, I'm a deaf, I don't need to take no bitch
Cause I already know she want my skeet on her cheek
Stupid bitch, she know I'm the sickest ninja in this bitch
But I'm bout to dip, dip, dip, dip, dip, dip

Woah, woah, wait, so wet, getting wet up In this bitch
Woah, wait, so wet, y'all be trying in this shit
Woah, damn, so wet, getting wet up In this bitch
Woah, wait, so wet, y'all be trying In the deep

In this underwater deep
Into underwater deep
In this underwater deep
Into underwater deep
In this underwater deep
Into underwater deep
In this underwater

Sink, sink, sink, sink deep in this underwater
Think, think, think, think deep in this underwater
Sink, sink, sink, sink, deep in this underwater
Think, think, think, think deep in this underwater

Ay, I been thinking deep
Ay, I been talking cheap
Came in this bitch too deep

God damn I'm soulless to quit
But all these ninjas too sweet
