

Key To The Highway

Keith Richards

I got the key to the highway
Feel out and bound to go
I'm gonna leave here running
Cause walking is much too slow

I'm going back to the bottom
Where I'm better known
Cause you haven't done nothing
Drove a good man away from home

Give me one, one more kiss, mama
Just before I go
'Cause when I leave this time, you know I
I won't be back no more

When the moon peaks over the mountain
Honey, I'll be on my way
I'm gonna roam this highway
Until the break of day

Well, it's so long, so long, baby
I must say goodbye
I'm gonna roam this highway
Until the day I die
