

Nothing On Me

Keith Richards

You ain't got nothing on me, nothing on me
They laid it too thick, they couldn't make it stick
They ain't got nothing on me

You know they laid another charge
That's why I'm still a large
No they got nothing on me, that's right

You know they watch me like hawk
Yeah, they even took for s walk
You know they tried to make me squawk
But they got nothing on me, no nothing on me
Not a thing

They've gone through this before
I can't do this anymore and I'm walking out the door
Cause you've got nothing on me, nothing on me
I don't resist arrest, I think it's for the best
You know they've got nothing on me

I was in-between
It's something unforeseen and I was squeaky clean
They ain't got nothing on me
We've been through this before
Ya know, I can't do this no more and I'm walking out the door
You got nothing on me

They shoot infront of the hip and I'm gonna plead the fifth
Nothing on me!
