

## Back And Forth

Keith Sweat

Sliding back and forth  
Tonight, baby girl, I wanna hear your voice  
Tell me what you like  
Tonight we're gonna do it, do it, do it all night  
I'd be loving you till the sun comes up  
You'd be loving me, you won't get enough of this love

Baby, let me show you what you mean to me  
Let me fulfill all of your, of your fantasies  
Love we gon' be naked, girl, in my bed tonight  
I won't stop loving you girl till I get it right

I'll be sliding back and forth  
'Cause all I wanna do baby

Sliding back and forth  
Tonight, baby girl, I wanna hear your voice  
Tell me what you like  
Tonight we're gonna do it, do it, do it all night  
I'd be loving you till the sun comes up  
You'd be loving me, you won't get enough of this love

Girl, you look so good  
Playing dead waiting for me to make my move  
Your body's calling me tonight, girl  
I wanna give all the love to you  
I submit myself to you, to you  
So tell me girl how you like it?  
I can make you feel brand new  
Let me show you what the love can do

Just tell me how you wanna be loved tonight  
Oh oh oh, baby  
I need you beside me

Sliding back and forth  
Tonight, baby girl, I wanna hear your voice  
Tell me what you like  
Tonight we're gonna do it, do it, do it all night  
I'd be loving you till the sun comes up  
You'd be loving me, you won't get enough

Sliding back and forth  
Tonight, baby girl, I wanna hear your voice  
Tell me what you like  
Tonight we're gonna do it, do it, do it all night  
I'd be loving you till the sun comes up  
You'd be loving me, you won't get enough of this love

Sliding back and forth  
Tonight, baby girl, I wanna hear your voice  
Tell me what you like  
Tonight we're gonna do it, do it, do it all night  
I'd be loving you till the sun comes up  
You'd be loving me, you won't get enough
