

# Just One of Them Thangs

Keith Sweat

Baby, I still love you  
I still love you baby, baby

Whenever we kiss and make up, girl  
I miss you so bad  
If I could tell you before, girl  
You were the best thing I ever had

Sorry for all the wrong I've done  
You were the only one  
I need you to hold me, baby, baby  
Like you used to, baby  
Reminds me one of them thangs, baby

You're just one of them thangs  
I'm gonna have to get used to, baby  
Used to, baby, used to, baby

You're just something, baby  
You're just one of them thangs  
I'm gonna have to get used to, baby  
Win all back, bring your loving back to me, girl

I think that, baby  
On how we used to make love all night long  
Now the thought of someone else holding you, kissing you  
Loving you, baby is driving me crazy, girl  
Just one of them thangs

You're just one of them thangs  
I'm gonna have to get used to, baby  
Used to, baby, used to, baby

You're just one of them thing, baby  
You're just one of them thangs  
I'm gonna have to get used to, baby, oh girl

I can give anything to touch you girl  
It end up to be so wrong  
And I don't understand that I

All I ever wanted to do was  
To live my whole life long with you, baby  
Yeah, yeah, yeahy, yeah, yeahy, yeah  
Yeahy, yeah

Yeah, babe, baby  
Oh, no, no, no, baby

You're just one of them thangs  
I'm gonna have to get used to, baby  
Used to, baby, used to, baby, used to, baby

You're just one of them thangs, baby  
You're just one of them thangs  
I'm gonna have to get used to, baby, baby  
Before I go baby, I get to know, baby

I will give you anything, anything  
Anything, anything, anything, anything  
Anything, anything  
That you want my, baby

Oh baby  
You're just one of them thangs  
Oh, my baby  
Oh, my baby

Girl, will you help me sing this song  
I'd give anything, end up to be so wrong  
I don't understand it

All I ever wanted to do was  
To live my whole life long with you, baby  
Yeah yeah, yeahy, yeah, yeahy, yeah  
Yeahy, yeah

You're just one of them thangs  
I'm gonna have to learn to get used to  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah

You're just one of them thangs  
I'm gonna have to learn to get used to  
Used to, yeah, yeah yeah
