

My Body

Keith Sweat

Your body

My body, your body
(All over your body baby)
My body, your body
My body, your body
(All over my body girl)
My body, your body
All over my body girl

My body, your body
(All over your body baby)
My body, your body
My body, your body
(All over my body)
My body, your body
My body, your body
All over my body girl

In the middle of the night
When my body's feenin' for you baby
Gotta call you up and let you know
It's what I'm feeling baby

Nine one one zero zero twenty four
Baby it's an emergency
I'm calling 'cause I gotta have some more
How would you like if I lay you down
(If I lay you down, yeah)
Would you like it if I was to sex you down
I can't think about nothing else
You scintillate me with your love
It ain't no secret girl
Your body fits me like a glove

My body all over your body babe
(Baby, it's your body babe)
Your body all over my body babe
(Yours over mine)
My body all over your body
It's your body baby
(It's yours all over, over your body babe)

My body all over your body babe
(It's your body, yeah)
Your body all over my body babe
(I cling to your body baby)
My body all over your body
(Baby, it's your body babe)
Oh, it's your body babe
All over my body girl

want to fill you up
'Til your river flows all over me
want to feel your precious treasure
Wrapped around me oh so tightly
In, out, I want to hear you shout

Won't you come on baby, let me break you off
I guarantee I'll turn you out

How would you like if I lay you down
Would you like it if I was to sex you down
Baby girl stop fighting
You know you want me just like I want you
Never had a lover
That would do the things that Johnny can do

My body all over your body babe
(It's your, yeah)
Your body all over my body babe
(Said it's your body)
My body all over your body
It's your body babe
(It's your body babe)
All over my body babe
(My body)

My body all over your body babe
(Said it feels so good)
Your body all over my body babe
(Said it feels so nice, so nice)
My body all over your body
(It's your body babe)

Oh, it's your body babe

If I beg, please, play on

My my my my my my my my
My my my my my my my my
My my my (body) yeah
Keep on playin' on
It's your body body body body body
Your sexy body all over my body babe
It's your body body body body body
Your fine body all over my body

Baby it's your body
My body all over your body babe
(My body all over your body)
Your body all over my body baby
(Could you feel me baby)
My body all over your body
(Oh yeah)
It's your body babe
All over your body
(Give me your body baby)
My body all over your body

Feel me, your body
