

Pull Up

Keith Sweat

Love me long time, love me long time
Whatever you want from me tonight is fine (Skrirt)
Love me long time, love me long time
Sex so crazy, girl, I'm losin' my mind
Sex so good I gotta spend this cash
Money ain't a thing, gon' make it last
Damn, baby girl, you're a sexy lady
The way you move your body make me, make me crazy
Would you like it if I put my droptop on you, baby?
Ooh, girl, your love is crazy
Let me show you how much I really want it
Oh, let me get up on it

(Ooh, shawty, I'm about to pull up)
Pull up on you, baby
