

# Pulling Out The One

Keith Sweat

Hey girl you're so amazing  
The way you are  
You get me  
The numbers all add up  
And girl I might be crazy  
I'm losing count  
But so far tonight  
I want you to rock this ship from left to right  
Right when I get to you plus me  
Yeah yeah baby  
You can count on me to change your world  
Ain't no tripping [?]  
Baby I love you too and three  
Do what you do like a million to you girl

I'm pulling out the one for you  
There will never be another too  
Not after tonight  
I'm pulling out the one for you  
There will never be another too  
Not after tonight  
I'm pulling out the one for you  
There will never be another too  
Not after tonight

Hey girl there's no subtraction  
You have my heart  
For this O.G you equal just enough  
To bring me satisfaction  
And cool me out  
So let's start tonight  
I want you to rock this shift from left to right  
Right when I get to you plus me  
You can count on me to change your world my baby

I'm pulling out the one for you  
There will never be another too  
Not after tonight  
I'm pulling out the one for you  
There will never be another too  
Not after tonight

Girl you know there's so much I can do  
And that's why I want myself  
A comfortable for you  
Oh girl tell me what you want in this world  
You can make a list  
If I miss  
I'll make it up to you

Girl I'm pulling out the one for you  
There will never be another too  
Not after tonight  
I'm pulling out the one for you  
There will never be another too  
Not after tonight  
I'm pulling out the one for you

There will never be another too  
Not after tonight
