

# Big Promises

Keith Urban

Oh oh oh  
uh uh uh  
Yeah  
Well I don't know why  
its taken so long to find  
That someone who makes me feel like I'm already home  
There's a feeling inside  
Since you came into my life  
And now I just want to give you every little thing you want

I can't help it  
When I see your Face  
I just want to make  
Big promises  
Yeah I can feel it  
when I watch you sleep  
I just want to keep big promises

Big Promises

Now it's a beautiful place  
I'm finding I'm in these days  
The dreams that I kept to my self I got someone to share (Yes, I do)  
Yeah your making it feel so good  
Like I thought that it never could  
And the crazy truth is, baby you got me loving like I never dared

And I can't help it  
When I see your Face  
I just want to make  
Big promises  
Yeah I can feel it  
when I watch you sleep  
I just want to keep big promises

Want to give you a place where you know your safe  
In these arms I'll keep you warm  
Cause you've given me a life  
So just look in my eyes and you'll know for sure  
That my heart is yours, Evermore (Yes it is)  
(Check it out now)

Yeah, I can't help it honey  
When I see your Face  
(I said) I just want to make  
Big promises (Big promises)  
Yeah I can feel it  
when I watch you sleep  
I know I am gonna keep big promises

Yes I know when I see your pretty little face  
I'm gonna do the best I can  
To give you every little thing  
That you'd ever need and I'ma always be your man  
In the middle of the night  
For the rest of your life  
I'll be forever true

I'll be loving you, loving you  
Big promises
