

# Happier

Keith Urban

Lately, I've been, I've been thinking  
I want you to be happier

When the morning comes  
And we see what we've become  
In the cold light of day we're a flame in the wind  
Not the fire that we've begun  
Every argument, every word we can't take back  
'Cause with all that has happened  
I think that we both know the way that the story ends

Then only for a minute  
I want to change my mind  
'Cause this just don't feel right to me  
I want to raise your spirits  
I want to see you smile  
I know that means I'll have to leave

I know that means I'll have to leave  
Lately, I've been, I've been thinking  
I want you to be happier

When the evening falls  
And I'm left there with my thoughts  
And the image of you being with somebody else  
It's eating me up inside  
But we ran our course, we pretended we're okay  
Now if we jump together at least we can swim  
Far away from the wreck we made

Then only for a minute  
I want to change my mind  
'Cause this just don't feel right to me  
I want to raise your spirits  
And I want to see you smile  
I know that means I'll have to leave

I know that means I'll have to leave  
Lately, I've been, I've been thinking  
I want you to be happier, I want you to be happier  
Lately, I've been, I've been thinking  
I want you to be happier

So I'll go, I'll go, I'll go  
Yeah I'll go, I'll go, I'll go

Lately, I've been, I've been thinking  
Lately, I've been, I've been thinking  
I want you to be happier, I want you to be happier  
Even though I might not like this  
I think that you'll be happier, I want you to be happier

I want you to be happier
