

# LAUGHIN' ALL THE WAY TO THE DRANK

Keith Urban

I get up early 'fore the sun come up  
Wake up the neighbors when I fire up my truck  
But time is money, so I gotta be on time, on time  
There's too much traffic on the interstate  
So I hit the exit, now I'm rippin' down the backstreets  
Seat back like McConaughey, alright  
Alright, alright

I work hard but play harder  
Mm, ain't that the American dream?  
Yeah, it's the end of the week now  
First round's gonna be on me

I'm on a Friday high 'cause I just got paid  
I got the life, man, I got it made  
Feel like the king of the world here, dancin' in the neon lights  
More rodeo than Rodeo, I'm a workin' man  
I own my truck and a piece of land  
Ain't got that Bezos money, honey  
But I ain't as broke as you think  
I'm laughin' all the way to the drank  
Laughin' all the way to the drank, yeah

Bartender, hey  
Bartender, won't you tell me a joke?  
I wanna laugh, wanna light up a smoke  
Don't wanna hear no more 'bout everything  
Goin' wrong, so wrong

When this life gives you lemons  
And your blue sky turns to rain  
Just smile, and put some  
Whiskey in your lemonade

I'm on a Friday high 'cause I just got paid  
I got the life, man, I got it made  
Feel like the king of the world here, dancin' in the neon lights  
More rodeo than Rodeo, I'm a workin' man  
I own my truck and a piece of land  
Ain't got that Bezos money, honey  
But I ain't as broke as you think  
I'm laughin' all the way to the

Miller Lite, any time, Michelob, I don't mind  
Just put a drink in my hand  
When I'm here with my friends, we're goin' 'til the a.m.  
I feel like the luckiest man, yes, I do

Now we're out on the floor and the DJ's takin' it back, takin' it back  
I was hopin' for some '90s country  
But I think he's startin' to scratch? What the—?

DJ. Come on, man

I'm feelin' good, I'm feelin' good, I'm feelin' good  
I'm feelin' good, I'm feelin' good

I'm on a Friday high 'cause I just got paid  
Ooh, just got paid  
I got the life, man, I got it made  
Feel like the king of the world in the "King of Beers" neon lights  
More rodeo than Rodeo, yeah, that's who I am  
If you don't like it, I don't give a damn  
Don't need that Bezos money, honey  
I ain't as broke as you think  
I'm laughin' all the way to the drank
