

# Raining On Sunday

Keith Urban

**Em** **C**  
It ticks just like a timex, never lets up on you  
**G** **D**  
Who said life was easy, the job is never through  
**Em** **C**  
It'll run us til' we're ragged, it'll harden out hearts  
**G**  
And love could use a day of rest  
**D**  
Before we both start falling apart

**G** **Am7**  
R: Pray that it's raining on Sunday, stormin like crazy  
**C** **G** **D**  
We'll hide under the covers all afternoon  
**G** **Dm7**  
Baby whatever comes Monday, can take care of itself  
**C** **G**  
Cause we've got better things that we can do

**D G (Dm7 C)**
