

# Romeo's Tune

Keith Urban

Ooooh yeah  
Oh Oh  
Mmmmm

Meet me in the middle of the day  
Let me hear you say everything's okay  
Bring me southern kisses from your room  
Meet me in the middle of the night  
Let me hear you say everything's alright  
Let me smell the moon in your perfume

Oh, gods and years will rise and fall  
And there's always something more  
Lost in talk, I waste my time  
And it's all been said before  
While further down behind the masquerade the tears are there  
I don't ask for all that much I just want someone to care  
That's right now

Meet me in the middle of the day  
Let me hear you say everything's okay  
Come on out beneath the shining sun  
Meet me in the middle of the night  
Let me hear you say everything's alright  
Sneak on out beneath the stars and run

Hey yeah  
Ooooh Ooooh

It's king and queen and we must go down now beyond the chandelier  
Where I won't have to speak my mind and you won't have to hear  
Shreds of news and afterthoughts and complicated scenes  
We'll weather down behind the light and fade like magazines

Woooh yeah

So meet me in the middle of the day  
Let me hear you say everything's okay  
Bring me southern kisses from your room  
Ooh baby  
Hey hey, meet me in the middle of the night  
Let me hear you say everything's alright  
Let me smell the moon in your perfume

Oh yea, meet me in the middle of the day  
Let me hear you everything's okay  
Let me see you smiling back at me  
Oh yea, meet me in the middle of the night  
Let me hear you say everything's alright  
Hold me tight and love and loving's free

Whoa yeah  
Oh lovings free  
Oooohwoahwoah

So meet me in the middle of the day  
Let me hear you say everything's okay

Bring me southern kisses from your room  
Oh sweet baby
