

If You Think I'm Crazy Now (You Should Have Seen Me When I Was A Kid)

Keith Whitley

I been wired since I can't remember when
You seen me out, most every night with a dissipated grin
All my life I been labeled loob and lout
But now I think, I'm finally wearin' down

I may rock and and may roll, I may sleep out in the cold
But I can still stay up the six days in the row
But I know the things I do don't compare with the things I did
If you think I'm crazy now, should've seen me when I was a kid

I been wild yeah, I been wasted stoned and stooped
Stayed out nights and started fights and mowed out two bar stools
All these years but it's been bedrooms bars and beers
But now, I'm in this finally drawnin' near.

Well, I may rock and and may roll, I may sleep out in the cold
But I can still stay up the six days in the row
But I know the things I do don't compare with the things I did
If you think I'm crazy now, should've seen me when I was a kid

If you think I'm crazy now, should've seen me when I was a kid
