

BLAKFRO

Keiynan Lonsdale

Mother phucker so rebellious
Refusing to relax
Coils like soil
(Afros huh)
Rooted in black

If you need to know now
What you know about that
I'll tell you a little truth
What you know
(Afros huh)

If you need to know
Imma teach you so
Teach you so
Please don't touch my fro
Kinky is my go
Aboriginal
The original
Check my genome
Check my black Fro
Blakfro...
Let me tell you bout my blakfro
Let me show you something that you don't know
Let me tell you
Bout this blakglo
My blakfro...

Just a brother from down under
Tell you bout my blackfro
Tell you bout my blackfro
Yea
Make it wave, baby
Make it swing, baby
Make it cry, baby
Do you like my afro
