

Common Ground

Keiynan Lonsdale

Bad days get digressed
But they never last
Pain falls to the past (Mm-hmm, mm-hmm)
Face them broken lights
Till we get it right
And pain falls to the past

'Cause time could run us out
So our heart's gotta settle down
Yes, time could run us out
So we'll find a
Yeah, we'll find a common ground
Yes, time could run us out
So we'll find a
Yeah, we'll find a common ground
Yeah, we'll find a common ground
Yeah, we'll find a common ground

Just want this right now
I don't need nothing else (Mm-hmm, mm-hmm)
Just your on my
I don't want nothing else

'Cause time could run us out
So our heart's gotta settle down
Yes, time could run us out
So we'll find a
Yeah, we'll find a common ground
Yes, time could run us out
So we'll find a
Yeah, we'll find a common ground
Yeah, we'll find a common ground
Yeah, we'll find a common ground
