

# Gods Of The Disco

Keiynan Lonsdale

Fever, fever since the morning  
People, are starting to receive it  
They're saying there's healing, baby  
Rising through the, rising through the cities, mmh  
And I'm a believer, baby  
That things are getting, things are getting sweeter, mmh

Love's born tonight  
Let the rhythm raise your  
Rhythm raise your soul to life  
Let's dance tonight  
With the freedom to electrify  
The world to light, yeah

See we're the rhythm lords, from wall to wall  
And we serve the gods, gods of the disco ball  
We're the rhythm lords, from wall to wall  
And we serve the gods, gods of the disco, baby

Fever, uh  
Fever since the morning, eh  
Come and make it rain for me, baby  
Drown me in your songs and fill my spirit  
And I won't, and I won't, and I won't, and I won't  
Ever stop (get your back up off the wall baby, get your back up off the wall  
)  
We keep it going for hours, and hours, and hours, and hours  
Till we drop (get your back up off the wall)

Love's born tonight  
Let the rhythm raise your  
Rhythm raise your soul to life  
Let's dance tonight  
With the freedom to electrify  
The world to light, yeah

See we're the rhythm lords, from wall to wall  
And we serve the gods, gods of the disco ball  
We're the rhythm lords, from wall to wall  
And we serve the gods, gods of the disco, baby  
Let's dance

Love on up on me  
Love on up on me (can you feel it)  
Love on up on me  
Love on up on me (that's Gods of the Disco baby)  
Love on up on me  
Love on up on me (tell me baby can you feel it)  
Love on up on me (yeah)  
Love on up on me
