

## The Many Faces of Your Face

Kekal

Doesn't matter how well-oiled you may appear  
Your nature will keep dragging you down  
To the filthiest form of moral decay  
Where grime infiltrates every pulse of blood  
How do I see honesty by looking at  
The many faces of your face  
How can I learn a simple wisdom  
When all you do is to manipulate  
Authenticity is never found when I see that  
So many faces forming on your face  
How can I manage to have respect  
Where good actions are used to exploit  
One face licks ass  
One face backstabs  
One face deceives  
The snake multiplies  
One face gives way  
One face throws blame  
One face betrays  
The beast magnifies  
I have felt deceptions  
Under the guise of false democracy  
What I used to believe  
Was nothing but manufactured illusions  
Now my eyes are finally open wide  
My mind is starting to see the light  
Decluttering from moral entanglement  
From truth comes path towards revealment

"In a time of universal deceit, telling the truth is a revolutionary act." - George Orwell
