

- Uh, hello?
 - Hi!
 - Who am I speaking to?
 - Who do you wanna be speaking to?
 - I guess who you are, my boy just told me
 - What turns you on?
 - Oh, turn me on? I don't know
 - You know exactly who I am
 - I do?
 - Yes. I'm the one you've been waiting for
 - Okay, now wait. I'm not waiting anybody like that, I don't need no one taking care of me. I just lost my job, and have a heart
 - I'm the one that makes you sleep light
 - Oh... Oh!
 - I'm you dream girl!
