

# Doubtful

Keke Palmer

Don't know if I still belong beside you  
And you know how much of me I gave you

Know that I'm doubtful (yeah, yeah)  
Know that I'm doubtful (yeah, yeah)  
Heart full of guilt (yeah, yeah)  
Heart full of tears (yeah, yeah)  
Know that I'm doubtful (yeah, yeah)  
Know that I'm doubtful (yeah, yeah)  
Heart full of tears (yeah, yeah)  
Heart full of guilt (yeah, yeah)

Damn shawty hit me with the uzi  
I didn't see him coming  
Hit me in the stomach  
Told me that he loved me like a scarface movie  
I'm down  
Hating myself every minute cause I can't resist you  
Knowing it'll never be the same cause what we been through  
Pick up the phone

Every time I think about us getting back  
All that I can think is you was hitting that  
I don't wanna be here all alone  
Pick up the phone  
Pick up the phone

Know that I'm doubtful (yeah, yeah)  
Know that I'm doubtful (yeah, yeah)  
Heart full of guilt (yeah, yeah)  
Heart full of tears (yeah, yeah)  
Know that I'm doubtful (yeah, yeah)  
Know that I'm doubtful (yeah, yeah)  
Heart full of tears (yeah, yeah)  
Heart full of guilt (yeah, yeah)

Who love you more than I do?  
Why am I the one you lying to?  
So many nights that we share  
It's obvious were not true  
Pick up the phone

All that I can think is you was hitting that
