

Edit (You Out My Life)

Keke Palmer

If my life was written down on paper, you'd be the precursor
And I'd erase you out
There would be no need to read no further
We would have no future, cause I'd just cut you out

Loving you's what set the scene (edit)
I made you a star (edit)
I gave you my heart (edit)
Broke from the start
If I could rewrite the theme (edit)
I'd rework your part (edit)
I'd redraft my heart (edit)
Reclaim the lead

If I could redo, I'd edit you (edit)
I'd edit you right out, out of my life
No time for take two (edit)
I'd edit you (edit)
I'd edit you right out out of my life (edit)

My life, my life, edit you out of my life (edit)
My life, my life, edit you out of my life (edit)
My life, my life, edit you out of my life (edit)
My life, my life, my life, my life

Some might say it's just as good as Shakespeare
Look at what we have here
A perfect tragedy, but hey
Your performance ain't much to write home 'bout
Take your que and bow out
Love won't be the death of me

Loving you's what set the scene (edit)
I made you a star (edit)
I gave you my heart (edit)
Broke from the start
If I could rewrite the theme (edit)
I'd rework your part (edit)
I'd redraft my heart (edit)
Reclaim the lead

If I could redo, I'd edit you (edit)
I'd edit you right out, out of my life
No time for take two
I'd edit you (edit)
I'd edit you right out out of my life (edit)
If I could redo, I'd edit you (edit)
I'd edit you right out, out of my life
No time for take two
I'd edit you (edit)
I'd edit you right out out of my life

I tried my best to stay composed
But you tried to orchestrate something I never wanted to show
Your time is up, the curtains closed
So call me the editor and chief, cause baby, I run the show
No more re-runs (edit), no more sequels (edit)

No more scenes, with me crying, "Baby, I love you." (edit)
No more co-writes (edit), no more guest stars (edit)
No more features, cause I don't really need you

If I could redo, I'd edit you
I'd edit you right out, out of my life
No time for take two
I'd edit you
I'd edit you right out out of my life
If I could redo, I'd edit you
I'd edit you right out, out of my life
No time for take two
I'd edit you
I'd edit you right out, out of my life

My life, my life, edit you out of my life
My life, my life, edit you out of my life
My life, my life, edit you out of my life
My life, my life, my life, my life
