

Got Em Mad

Keke Palmer

(TK Kravitz)

You better believe it (woo, yeah)
Drama, I don't need it (no)
This water got 'em seasick (ice)
This water got 'em seasick (ice)
Said mmh-hm, I got 'em mad, I got 'em mad, I got 'em mad
Mmh-hm, I got 'em mad, I got 'em mad, I got 'em mad
Mmh-hm, I got 'em mad, I got 'em mad, I got 'em mad
Mmh-hm, mmh-hm (woo)

I got 'em mad, I do
I got 'em mad, I do
Your bitch be callin' my phone
And say that she mad at you
I'm too lowkey, I can't get in the middle with y'all (no)
I'd rather just go and do me (yeah)
And go fuck up the mall
I like to flash now, I like to flash now
Bring that cash out, bring that cash out
Got 'em mad now, I got 'em mad now (I do)
'Cause I ain't have shit but I can brag now

I got bands now
I got this little baby, that nigga that his man down
I'm goin' ham now
And I got 'em mad (what?)
If dig out a reason, kill every season
Niggas be dreamin' on my downfall

You better believe it (woo, yeah)
Drama, I don't need it (no)
This water got 'em seasick (ice)
This water got 'em seasick (seasick)
Said mmh-hm, I got 'em mad, I got 'em mad, I got 'em mad
Mmh-hm, I got 'em mad, I got 'em mad, I got 'em mad
Mmh-hm, I got 'em mad, I got 'em mad, I got 'em mad
Mmh-hm, mmh-hm

I been movin' alone, I ain't never need no one
Count on nobody but me
Now a nigga think he could come round
Tellin' me he'll hold me down
That ain't gon' satisfy a thing
Bae, I know you know what I'm about
That's why you thought approachin' me
Was the best thing for you
You tryna come up off-key
So I play like I can't see
That's why I got you mad at me, yeah

I only wanted love
You chose the game then lost
Now you blame me for what you want, no-oh

You better believe it (yeah, yeah, yeah)
Drama, I don't need it (no)

This water got 'em seasick (ice)
This water got 'em seasick (ice, woo)
Said mmh-hm, I got 'em mad, I got 'em mad, I got 'em mad
Mmh-hm, I got 'em mad, I got 'em mad, I got 'em mad
Mmh-hm, I got 'em mad, I got 'em mad, I got 'em mad
Mmh-hm, mmh-hm (woo)
