

I Wanna Know

Keke Palmer

Boy, did you kiss her like that?
Or did you touch her like that?
Did you lay her down on her back?
Tell me, how did she react?
Did you make her scream for ya?
Did she do nasty things for ya?
Oh, I really wanna know

Stroking her nice and slow
Stroking her slow

Boy, did you kiss her like that?
Or did you touch her like that?
Did you lay her down on her back?
Tell me, how did she react?
Did you make her scream for ya?
Did she do nasty things for ya?
Oh, I really wanna know

Does she make him explode? Oh

Boy, did you kiss her like that?
Or did you touch her like that?
Did you lay her down on her back?
Tell me, how did she react?
Did you make her scream for ya?
Did she do nasty things for ya?
Oh, I really wanna know
