

Ripples

Keke Palmer

I came from my mama and my mama's mama's mama
Call that ripples over water
Watch it drip all over me
I know that my baby and my baby's baby's baby gon' be good
'Cause the apple don't fall far from the tree

Ripples, ripples
Yeah, ripples on my drip, baby on my hip, hip, hip
Ripples, ripples
Yeah, ripples on my drip, baby on my hip, hip

Look at all this generational wealth in the building
Shoutout to my girls that raise hell, raising millions
Never coulda done it myself, made a living
'Cause all what I am, all thanks to them, them, them

Ripples, ripples
Ripples on my drip, baby on my hip, hip, hip
Ripples, ripples
Ripples on my drip, baby on my hip, hip
