

I Know

KeKe Wyatt

Oh, I...

I know, I know, I know, I know
It's hard, it's hard to be around me
Sometimes, sometimes, sometimes, sometimes
It's hard, just see just how you found me
I know, I know, I know, I know, I know
I made you cry so many nights
Don't know, don't know, don't know, don't know
Where I would be if you never showed love

Hold on to me as we go down
As we fall in love, we'll make this sound
Stay to the end to win this fight
Somehow I know we'll be alright

I need you, I fiend for you
My heart is a war zone
It's constantly pushing you away

I know, I know, I know, I know
It's hard, it's hard to be around me
Sometimes, sometimes, sometimes, sometimes
It's hard, just see just how you found me
I know, I know, I know, I know, I know
I made you cry so many nights
Don't know, don't know, don't know, don't know
Where I would be if you never showed love

It's starting to grow dark outside
Please say you'll stay through all the nights
Oh yeah, fall into me, don't break my pride
At least if we fail, we'll say we tried

I need you, I fiend for you
My heart is a war zone
It's constantly pushing you away

I know, I know, I know, I know
It's hard, it's hard to be around me
Sometimes, sometimes, sometimes, sometimes
It's hard, just see just how you found me
I know, I know, I know, I know, I know
I made you cry so many nights
Don't know, don't know, don't know, don't know
Where I would be if you never showed love

I know, I know, I know, I know
It's hard, it's hard to be around me
Sometimes, sometimes, sometimes, sometimes
It's hard, just see just how you found me
I know, I know, I know, I know, I know
I made you cry so many nights
Don't know, don't know, don't know, don't know
Where I would be if you never showed love
