

Love On Top

KeKe Wyatt

I bring the beat in, yeah

Oooh

Honey, honey

I can see the stars all the way from here

Can't you see the glow on the window pane?

I can feel the sun whenever you're near

Every time you touch me I just melt away

Everybody asks me why I'm smiling out from ear to ear

But I know

Nothing's perfect, but it's worth it after fighting through my tears

And finally you put me first

Baby, it's you

You're the one I love

You're the one I need

You're the only one I see

Come on, baby, it's you

You're the one that gives your all

You're the one I can always call

When I need you make everything stop

Finally you put my love on top

Ohh! Come on, baby

You put my love on top, top, top, top, top

Oooh

Baby

Baby it's you

You're the one I love

You're the one I need

You're the only one I see

Come on baby it's you

You're the one that gives your all

You're the one I can always call

When I need you make everything stop

Finally you put my love on top

Baby

You're the one I love

You're the one I need

You're the only one I see

Come on baby it's you

You're the one that gives your all

You're the one I can always call

When I need you make everything stop

Finally you put my love on top

Baby

You're the one I love

You're the one I need

You're the only one I see
Come on baby it's you
You're the one that gives your all
You're the one I can always call
When I need you make everything stop
Finally you put my love on top

Baby
You're the one I love
You're the one I need
You're the only one I see
Come on baby it's you
You're the one that gives your all
You're the one I can always call
When I need you make everything stop
Finally you put my love on top

Yeah ya, baby
