Aah-ah  
Aah-ah  
Aaah, yeah  
Aaaah-aaah  
Aaah, yeah  
Oh-oooh

I think about all the time  
Think you may need all of mine  
Hate to say you know that love is blind  
I'm 'bout to see, I'll close my eyes (truth is)  
They can't see you in here though  
Most of them need dollar signs to make  
Every day your birthday  
And every night your Valentine...

If we tried that we could be  
Somewhere in the climate  
Is warm long as you around me  
I swear that everything will be just fine  
I wish that we could take some time  
Go anywhere, baby, I don't mind  
Grown man in the suit and tie  
There's no we without you and I  
Oh, yeah, oh yeah, oh yeah  
There's no we without you and I  
Oh, yeah, oh yeah, oh yeah  
There's no we without you and I

See my baby knows, where my baby goes, I'll go  
It's no better feeling, you know  
When I'm next to her for sure  
[?], get this off my chest  
I know I love you, I swear your the best  
Friends, they know they hate, Get this off my chest  
Ah yeah, I think I love you, oh baby maybe

If we tried that we could be  
Somewhere in the climate is warm long as you around me  
I swear that everything will be just fine  
I wish that we could take some time  
Go anywhere, baby I don't mind  
Grown man, in the suit and tie  
There's no we without you and I  
Oh, yeah, oh yeah, oh yeah  
There's no we without you and I  
Oh, yeah, oh yeah, oh yeah  
There's no we without you and I

Oooh, da di du, du du  
Oooh, da di du, du du  
Oooh, da di du, du du  
Oooh, da di du, du du

If we tried that we could be  
Somewhere in the climate is warm long as you around me  
I swear that everything will be just fine

I wish that we could take some time  
Go anywhere, baby I don't mind  
Grown man, in the suit and tie  
There's no we without you and I  
Oh, yeah, oh yeah, oh yeah  
There's no we without you and I  
Oh, yeah, oh yeah, oh yeah  
There's no we without you and I
