

# Peace On Earth

KeKe Wyatt

Oh... oh... oh... oh oh..

How can we have peace in the middle east, when there's none at home?

How can we have understanding in the land, when there's none in the women nooo... and there's none in the man?

How can we heal the wounds of the world if we cannot heal our own? no...

Where does this peace on Earth begin if not in the home?

Where do we go now?

Do we let the devil win? nooo... Or do we get up and fight? yes ...

Yes, surely we know how to comfort all our fears

Bring an end to the violence

Bring an end to our tears

How can we heal the wounds of the world if we cannot heal our own?

Where does this peace on Earth begin if not in the home? oooh oh yea

There's too much talk about it and too many walkers out here!

Tell me where is the love? Where is God in your life?

To my left a woman abuses her children

To my right somebody's beating their wife

Tell me where is the love? Where is God in your life?

How can we heal the wounds of the world if we cannot heal our own?

Where does this peace on Earth begin if not in the home? oh... no...

How can we heal the wounds of the world if we cannot heal our own?

Where does this peace on Earth begin if not in the home?

In the home...
