KeKe Wyatt

Don't you ever forget it, forget it, don't you ever  
[x4]

I was me before I met you, remember  
If you leave, I'm still gone be me, remember  
Baby, I ain't neva been basic  
Always had my paper right.  
Boy look at this body, no problem getting what I like  
Oh no, you got this thing backward  
You thinking you made me, I'm making you look good.

Remember, everybody came to see me  
Remember, already had my own house key  
Remember, but remember one thing  
You're here because I want you to be

Don't ever forget it  
Don't you ever forget it, forget it  
Don't you ever, forget it, forget it  
Don't you ever, don't you ever  
Don't you ever forget it, forget it  
Don't you ever, forget it, forget it  
Don't you ever, don't you ever

All my shit was already paid for  
So I make you look better on paper  
Remember, I was already fly, all you did was cosign  
Check into my life, I was doin' just fine  
You got this thing backward  
You thinkin' you made me  
I'm making you look good.

Remember, everybody came to see me  
Remember, already had my own house key  
Remember, but remember one thing  
You're here because I want you to be

Don't ever forget it  
Don't you ever forget it, forget it  
Don't you ever, forget it, forget it  
Don't you ever, don't you ever  
Don't you ever forget it, forget it  
Don't you ever, forget it, forget it  
Don't you ever, don't you ever
