Unbelievable

KeKe Wyatt

Sometimes I can't believe it,
Feels like I'm make believing,
Sometimes I think I'm dreaming,
Then I pinch myself,

You're like the unicorn in my backyard, just running wild,
Or at thee end of a rainbow, a pot of gold, that I have found,
Like talking animals, my jaw just hit the floor, ooh

You're un-beli-eva-ble,
You're un-beli-eva-ble,
You're un-beli-eva-ble,
You're un-beli-eva-ble,

Come see what I have found,
Second time around,
Love so indescribable,
I can't talk about,
Makes me wanna sang,
Tears come to my eyes,
Can this really be for real,
I think love's arrived, aah, aah, ooh,

Never seen before, this life is from another world,
I was a woman scorned, until you came into my world, (in my world)
Little things that I can't see, true love's amazing,

You're like the unicorn in my backyard, just running wild,
Or at thee end of a rainbow, a pot of gold, that I have found,
Like talking animals, my jaw just hit the floor, ooh

You're un-beli-eva-ble
You're un-beli-eva-ble
You're un-beli-eva-ble
You're un-beli-eva-ble

Good things go around,
Good things come around,
Out there in the universe,
Smiles take over frowns,
He's the perfect one, He's the moon & sun,
Never thought I'd find him,
Ain't nobody like him, ooh ooh hoo hoo ooh ah

Never seen before, this life is from another world,
I was a woman scorned, until you came into my world, (in my world)
Little things that I can't see, true love's amazing,

You're like the unicorn in my backyard, just running wild,
Or at thee end of a rainbow, a pot of gold, that I have found,
Like talking animals, my jaw just hit the floor, ooh

You're un-beli-eva-ble
You're un-beli-eva-ble
You're un-beli-eva-ble
You're un-beli-eva-ble

Sometimes I can't believe it,
Feels like I'm make believing,
Sometimes I think I'm dreaming,
Then I pinch myself,

You're like the unicorn in my backyard, just running wild,
Or at thee end of a rainbow, a pot of gold, that I have found,
Like talking animals, my jaw just hit the floor, ooh

You're un-beli-eva-ble
You're un-beli-eva-ble
You're un-beli-eva-ble
You're un-beli-eva-ble
