

# Reckless

Kele

Truth be told I can be reckless  
But it lets me know I'm still alive  
You're playing house with your old man  
But he's got too many rules

Don't be ashamed of what god gave you  
You need someone to lift you up  
Can you sleep away tonight  
I need your time, I need your touch

You used to be [?]  
But now those days are gone  
You can leave your ring at home  
You can be yourself with me

The way we live  
The way we live  
You can be yourself now  
The way we live  
Ah

You act so different when he's with you  
Like you've got something to prove  
What I'd give to stand next to you  
I'd break your chains, I'd let you loose

The way we live  
The way we live now  
The way we live  
Ah

The way we live  
The way we live now  
The way we live
