

What Did I Do

Kele

And I didn't want to let you
Because I didn't want to feel this
And I'm not going to fall apart
I won't

Because you promised me forever
And, like a fool, I believed you
Now I pray and I think of what I can't say
To keep you here

What did I do?
What did I do wrong boy?
What did I do?
What did I do wrong?
I don't know what I did
I don't know what I said
Just tell me the words and I'll sing them
What did I do?
What did I do wrong?

Even if you won't say so
Baby, I can feel the pain grow
Even if you won't say so
It's changed

And your voice called on the phone
And the lies that come forward
With your hand on my jeans as you squeezed my thigh
With your kiss is frozen

What did I do?
What did I do wrong boy?
What did I do?
What did I do wrong?
I don't know what I did
I don't know what I said
Just tell me the words and I'll sing them
What did I do?
What did I do wrong?

What did I do?
What did I do wrong boy?
What did I do?
What did I do wrong?
I don't know what I did
I don't know what I said
Just tell me the words and I'll sing them
What did I do?
What did I do wrong?
