

Now that you're up, my love  
Let me remind you  
Those dreams you have  
Before they all came true

Nothing to be said or done  
It's not just me, it's everyone  
Let me remind you, let me remind you  
Nothing to be said or done  
There's a place for everyone  
Let me remind you, let me remind you

In the middle of your week  
When you get your head down  
I hope you think of me  
And how I moved it around  
Wrote a thousand poems today  
Still, I got nothing to say  
'Cause I'm gon' never forget  
All it took

Nothing to be said or done  
It's not just me, it's everyone  
Let me remind you, let me remind you  
Nothing to be said or done  
There's a place for everyone  
Let me remind you, let me remind you

Where can, where can I go, go?  
It's taking, taking a whole  
And now I think I know  
That I don't know nothing at all

Nothing to be said or done  
It's not just me, it's everyone  
Let me remind you, let me remind you  
Nothing to be said or done  
There's a place for everyone  
Let me remind you, let me remind you, babe

Nothing to be said or done  
It's not just me, it's everyone  
Let me remind you, let me remind you  
Nothing to be said or done  
There's a place for everyone  
Let me remind you

Nothing to be said or done  
It's not just me, it's everyone  
Let me remind you, let me remind you  
Nothing to be said or done  
There's a place for everyone  
Let me remind you

Nothing to be said or done  
It's not just me, it's everyone  
Let me remind you (There's a place)

Nothing to be said or done  
There's a place for everyone  
Let me remind you, let me remind you

Nothing to be said or done  
It's not just me, it's everyone  
Let me remind you...
