Kelela

Under the surface, I'm lying  
Fighting the tide, now I'm drowning  
Pushing a rock up a mountain, hey  
I wanna go, you around it  
With somebody new  
Why when it's done I keep trying? Hey  
Steady, I'm diving  
In deep

Oh, oh, oh, oh, woah  
Where you been hiding?  
Yeah, yeah
