Riding, at night, when you're riding, at night  
Riding, at night, when you're riding, at night  
When you're riding, at night, when you're riding, at night  
When you're riding, at night, when you're riding, at night, at

When it's good, I'm questioning  
When it's good, I'm questioning  
When it's good, I'm questioning  
When it's good, I'm questioning  
When it's good, I'm questioning  
When it's good, I'm questioning  
When it's good, I'm questioning  
When it's good, I'm questioning

Riding, at night, when you're riding, at night
