

# Caught Out There

Kelis

Yo, yo  
Yo, this song, yo  
This song is for all the women out there  
That been lied to by their men  
And I know you all been lied to  
Over and over again  
This is for y'all  
Yo, maybe you didn't break the way you shoulda broke, yo  
But I break, knowwhatumsaying, so  
This is how it goes, yo  
Psss...  
Damn  
Yo, yo

Last year, Valentine's day  
You would spoil me and say  
"Babe, I love you, love you (Yo, he's lying) and I swear"  
Held you when you were sick, even ... (sucked yo dick)  
The whole time I think to myself, this isn't fair

What is this I see (No)  
You don't come home to me (Oh, no)  
When you don't come home to me (Man)  
Can't deal, can't bear

You keep tellin' me lies  
But to your surprise  
Look, I found her red coat  
And you're (Bitch) caught out there

- I hate you so much right now  
I hate you so much right now  
Ahhhhh...  
I hate you so much right now  
I hate you so much right now  
I hate you so much right now  
Ahhhhh...  
I hate you so much right now

So sick of your games, I'll set your truck to flames  
And watch it blow up, blow up, (ha-ha-ha) tell me  
How you gonna see it now  
So far from sincere (I love you)  
Fabrications in my ear  
Drive me so far up the wall  
I come slidin' down

What is this I see (I don't believe this)  
You don't come home to me  
When you don't come home to me  
I can't deal, can't bear (I won't)

You keep tellin' me lies  
But to your surprise  
Look, I hope you're happy  
Since you're caught out there

(Yeah, you've been caught)  
Yo', come on  
Come on

(She's so)  
Raunchy, so vulgar, not me, why the hell her  
Look, she dresses (Look at her)  
A mess, what do you see (I don't know)  
It's not all about cash (Hell, no)  
Not how much you flash  
How I dress is a reflection of me

What is this I see  
You don't come home to me (Uh-uh)  
When you don't come home to me  
Can't deal, can't bear (Told you I won't)

You keep tellin' me lies  
But to your surprise  
Look, I got somethin' for y'all  
Since you're caught out there
