Where there is cheese there are rats,  
Where ever there are rats there are cats,  
Where ever there are cats there are dogs.  
If you got the dogs you got bitches.  
Bitches Always out to put their paws on your riches.  
If you got riches,you got glitches.  
If you got glitches in your life computer turn it off and then  
reboota.  
Now you back on.  
Can't just put the cap on the old bottle once you pop it that w  
ill spoil it, gone and drink it and enjoy it.  
Mama i'ma Millionaire.

What's a girl to do in a world of greed but kneel and pray-yay-

What's a girl to do when she's lost her long time friends that'
