

Hypnotized

Keller Williams

Somewhere in the summer lights
The wind blows so gently through the cloudy skies
I see the moon shining in your eyes
Hypnotized, Hypnotized
Hey girl what's on your mind
I want to love you all the time
Can't you tell me what you want me to lose
My love is a song to you, to you
Sometime we make the sun laughing together again as one
A rhythm of a changing tide
Hypnotized, Hypnotized
